The content of this year's Accreditation and Quality Assurance Symposium will focus on compliance with AAVLD Requirements for an Accredited Veterinary Medical Diagnostic Laboratory, AC-1 Version 2021-01.

Topics covered will include:

- **Evolution of the AAVLD Requirements**
- **Risk Assessment**
- **Client-Centric Changes to the AAVLD Requirements**
- **AAVLD Requirements In Action – AAVLD Labs Respond to COVID-19**

In addition, the Accreditation Committee will provide updates regarding the AAVLD Accreditation Program including plans for implementation of and auditing to the new standard.

This symposium is recommended for all Laboratory Directors, Supervisors, Quality Managers and laboratory persons interested in the efficient and effective implementation of a Quality Management System.
