

Foundation Banquet & Auction

Recognition:

We are excited to gather once again to celebrate our shared passion for advancing veterinary diagnostics and research. The year's event will feature both a live auction, filled with exhilarating bidding moments and heartfelt camaraderie, and a captivating silent auction, offering a diverse array of unique items to peruse and bid on. Additionally, we will have the ever-popular raffle, where luck can shine on anyone and make a difference in our mission.

We would be deeply honored and grateful if you could consider contributing to this year's auction by donating items that reflect your generosity and commitment to our cause. Your generous donations are tax-deductible and play a critical role in furthering the AAVLD Foundation's vital mission, empowering us to continue supporting educational initiatives, interdisciplinary research, and advancements in veterinary diagnostics.

Friday October 16th, 2026
6:00 PM-9:00 PM

Thank you for your unwavering support, and we eagerly anticipate your participation in making this year's auction a resounding success!

AAVLD Foundation Mission:

- Educate and retain the next generation of veterinary diagnosticians.
- Recruit future veterinary diagnosticians by providing travel awards.
- Reward excellence in veterinary diagnostic medicine.
- Foster interdisciplinary networking via long-term involvement with AAVLD.

Please support the AAVLD Foundation by donating an item(s) personally and/or from your laboratory.
